

Not sure what I would do without K-LOVE radio. It is the only radio station with continuous music without all of the commercials interrupting every 5 minutes. I love that it is a safe station and brings many people to accept Jesus Christ into their lives.

If K-LOVE were to be displaced by an LPFM broadcaster providing other programming it would be a disaster to my community and the entire state of Illinois. We have all come to rely on K-LOVE for the type of music, news and information that we, as Christians, require and deserve to enjoy on a daily basis.

The service provided by K-LOVE is definitely in the public interest because many people rely on this station because it is safe for the entire family, infants, teenagers and adults. We would all be lost without our daily dose of K-LOVE and the wonderful music, messages, unbiased news and prayer that it brings to all of us every day.
